Re: Application for Connection of ( \_\_\_\_\_ ) to the Transmission System ("Facility")

Date:

I, **[insert Customer Name]**, hereby confirm that I have read the Grid Code<sup>1</sup> and understand the compliance requirements in the context of the above proposed Facility which we are applying to connect to the Transmission System. Further, to the best of my knowledge the Facility shall be in compliance with the Grid Code. Should I, **[insert Customer Name]**, become aware that the proposed Facility will be unable to comply with any provision of the Grid Code then, in accordance with the Grid Code<sup>2</sup>, I shall without undue delay report such non-compliances to EirGrid<sup>3</sup> and shall, subject to the provisions of GC.8.2, make all reasonable efforts as are required to remedy such non-compliances as soon as reasonably practicable.

Signed for and on behalf of
