

Use of Assumed Plant/Data Declaration

[to be issued on Customer Company Letterhead]

To: New Applications,
EirGrid plc.,
The Oval,
160 Shelbourne Road,
Ballsbridge,
Dublin 4.

Re: Application for Connection of (_____) to the Transmission System
("Facility")

Date:

I, **[insert Customer Name]**, hereby confirm that I understand fully the implications of choosing the Reduced Application Criteria Generation Application option, in applying for connection to the Transmission System and am fully aware and understand that EirGrid may make assumptions, for the purpose of carrying out its connection studies. I acknowledge that EirGrid cannot accept any responsibility for to any changes to the connection method, charges, lead-times or other that that may arise when the complete set of technical data is subsequently submitted.
