This drawing is part of a series of drawings and must be read in conjunction with those drawings. See safety file for details.

The information provided is a general guide and the accuracy therefore cannot be guaranteed. No liability is accepted for any discrepancy, omission or deviation and the actual position of services must be verified and established on site before any mechanical excavation occurs.

For Chainage Reference See the Drawing Register

All survey information is referenced to the Ordnance Survey National Grid (OSGB36) via the Global Positioning System (GPS) Network (ETRS89).

Co-ordinates are converted using OSTN02 and OSGM02 Transformation models.
