Re: inclusion of the text 'or as agreed with the TSO' relating to the meteorological mast requirements MPID 273

Dear Arlene,

I refer to your correspondence to CRU of 16 October 2018 seeking approval of Grid Code modification MPID 273, as recommended at Grid Code Review Panel meeting on 02 May 2018.

The CRU is satisfied that EirGrid has recommended this modification for approval by the CRU in accordance with the relevant provisions set out in the Grid Code for the handling of revisions and that the views of stakeholders have been adequately considered and addressed.

Having considered the modification and its supporting documentation the CRU approves this modification and directs EirGrid to revise the Grid Code which shall be deemed to be amended accordingly from the date of this letter.

Yours sincerely,

Robert O'Rourke

Manager, Electricity Networks
