

**Grid Code
Modification
Recommendation Form**

**Title of Recommended Proposal:
Transmission System Security Planning Standards
MPID: 274**

Date:	01/10/2018
Recommended at GCRP Meeting No.:	Ireland GCRP Meeting - 02 May 2018
Grid Code Version:	6
Grid Code Section(s) Impacted by Recommended Proposal:	PC.2 PC7.1 Definitions

The Reason for the Recommended Modification:

In May 2016 the title of the Transmission Planning Criteria was changed to the Transmission System Security Planning Standards (TSSPS). The title of the document was changed as per the Transmission System Operator License. At the time the Grid Code was never modified to take account of the new title.

If this recommendation is not approved the Grid Code will continue to reference a title that no longer exists.

History of Progression through GCRPs, Working Group and/or Consultation:

This modification proposal was presented to the Ireland GCRP members at the Ireland GCRP meeting, 02 May 2018. No objections were raised and the panel members recommended that the TSO draw up a recommendation paper for issue to the CRU.

Summary Note of any Objections to the Recommended Change from GCRP Members or Consultation Responses:

No objections were raised by the panel members.

Outcome of any GCRP Meeting Actions Relating to the Recommended Modification:

No follow-on actions were raised at the meeting.

PC.2 OBJECTIVES

The objectives of the **Planning Code** are to provide for:

- (a) **TSO/User** interaction in respect of any proposed development on the **User System** that may impact on the performance of the **Transmission System** or the direct connection with the **Transmission System**;
- (b) the supply of information required by the **TSO** from **Users** in order for the **TSO** to undertake the planning and development of the **Transmission System** in accordance with the ~~Transmission Planning Criteria~~ **Transmission System Security Planning Standards** and relevant standards;
- (c) the supply of information required by the **TSO** from **Users** in order for the **TSO** to participate in the co-ordinated planning and development of both the **Transmission System** and the **Other Transmission System**; and
- (d) the supply of information required by the **TSO** for the purposes of the **Forecast Statement**.

PC.7 PLANNING STANDARDS

PC.7.1 The **TSO** shall apply the ~~Transmission Planning Criteria~~ **Transmission System Security Planning Standards** and relevant standards in the planning and development of the **Transmission System** and where appropriate when participating in the co-ordinated planning and development of both the **Transmission System** and the **Other Transmission System**.

DEFINITIONS:

~~Transmission Planning Criteria~~ **Transmission System Security Planning Standards**

System Planning practices and considerations that the **TSO** follows. The application of ~~Transmission Planning Criteria~~ **Transmission System Security Planning Standards** may vary to match local conditions and local **System** requirements. The ~~Transmission Planning Criteria~~ **Transmission System Security Planning Standards** is available on the **TSO's** website.
